Per guidance from the Commission's Reports Analysis Division, the Committee amended its July 2016 monthly report to reflect in-kind receipts of polling results, \$78,000 of which was separately disclosed in a 48-hour independent expenditure report that was timely filed in August 2016 and \$40,000 of which related to an ad the Committee never aired. In addition, please note that the Committee entered into a settlement agreement with the ADR office (ADR #810), approved by the Commission on April 5, 2017, in which the Committee agreed to take additional steps to ensure the timely reporting of in-kind receipts.
